

# Student Leader's Buddy Program

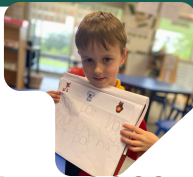

Each week the Preps and Year 6s come together to read, do activities and spend time together. They form close bonds and friendships and enjoy seeing one another out at play times.

At Montville State School we believe that partnerships between parents, students and schools, promote student learning, wellbeing and high expectations for student success.

Children born between

1 July 2021 and 30 June 2022 are eligible for

Prep in 2027

## Prep Transition Day

THURSDAY 3<sup>RD</sup> DECEMBER 2026  
9AM - 10:45AM

## Get Ready for Prep 2027

At Montville State School, we value creativity, diversity and sustainability.

We aim to ensure every student is included, engaged and successful.

We provide learning opportunities that are fun, challenging and supportive for all students.

We seek ways to enhance student learning and well-being by welcoming families and the local community to be actively involved in our school.

## Welcome to Prep

You and your child are warmly invited to learn more about the exciting experiences they will have at the start of their learning journey.

Montville State School Prep uses age-appropriate pedagogies in the early years of schooling. This is important in supporting our children to be actively engaged, creative and successful learners. Our school boasts an expert teaching team of classroom teachers, teacher aides and specialist teachers.

In Prep children learn in many different ways including play, organised games, and investigation. They develop important life skills by working with other children and adults. Prep makes connections between school and what your child learns at home and in early childhood education and care.

Prep helps your child develop:

- a positive approach to learning
- independence and confidence
- thinking and problem-solving skills
- language skills
- early literacy and numeracy
- physical abilities.

## Our School

Our high-quality programs are positive, personal and playful. We care about the holistic development of our students and want all our learners to experience success.

At Montville State School we have engaging early childhood teaching spaces for our early childhood learners. These air-conditioned teaching spaces open out to a beautiful expansive and vibrant play areas.
