

MONTVILLE VIEWS

TOGETHER WE LEARN

Edition 3 2021 Term 1 Week 6

Main Street, Montville Qld 4560 Phone: 5452 1333 admin@montvilless.eq.edu.au

From The Principal

Welcome back to another fortnight at Montville State School. We continue to focus on our 2 priorities of Community Engagement and Developing Our Students Literacy. A couple of weeks ago I sent home a survey asking for feedback and I really appreciate everyone taking the time to let us know what we and areas in which we can improve.

The National Day of Action against Bullying and Violence (NDA) is an important day to mark Australian school communities standing together against bullying and violence. It is celebrated across Australia on Friday 19 March. We will be on school camp at this time so we will be recognising this important day on **Monday 15 March**. The students will be doing activities in class and we ask that the students **wear orange on this day**.

Bike Club This Wednesday Mr Frampton and Pete Baguley will be running their bike club at first break from 11:00-11:45. Students are welcome to bring their bikes and a safety approved helmet on the day and leave at the bike racks down on the oval. We will have a section for balance bikes and training wheels in the hall. We can always do with an extra pair of hands so if you are available to help out on the day (checking helmets, helping students balance etc) that would be great.

P&C AGM This will be held at 3:00pm on Monday 29 March in the computer lab. All adult members of the school community are invited to attend and elect our office bearers for 2021. At the AGM we will acknowledge the incredible work of the volunteers on all our P&C committees, give some thought to what we can improve on next year and elect our P&C office bearer positions. We will have staff looking after students to allow as many people to attend as possible.

In 2019 our Community Engagement Committee developed the **Montville Parent and Community Engagement Framework**. This framework has 5 sections –Communication, School Culture, Partnerships with Parents, Decision Making and Community Collaboration.

I wanted to focus on an area each fortnight looking at our beliefs and what you will see at Montville State School regarding how we engage with the community. Last issue we looked at Communication, this week I would like to focus on School Culture.

At Montville State School respectful relationships between students, parents and the school community are valued and enhance the promotion of student learning and wellbeing.

We believe that respectful relationships between the school, students, parents and the school community need to be actively cultivated and valued and nurturing a culture that respects and values difference amongst the whole school community is vital in supporting the inclusive engagement of all families.

Parent and community participation in student learning and the school community should be acknowledged and recognised. This involvement sends a clear signal to students about the value of education.

At Montville State School-

- every parent feels welcomed and valued as part of the school community, is comfortable expressing their views, and has means to contribute their views
- every interaction occurring on the school grounds is calm and respectful.
- respectful and caring relationships are reflected in the ways in which staff, students and parents interact and through the language they use in both formal and informal settings.

Regards

Adam Montgomery, Principal

BULLYING. NO WAY!

Our Vision "At Montville State School, we value creativity, diversity and sustainability. We aim to ensure every student is included, engaged and successful. We provide learning opportunities that are fun, challenging and supportive for all students. We seek ways to enhance student learning and well-being by welcoming families and the local community to be actively involved in our school."

New Lunch activities!

Jane the Student Welfare Worker here! I will be running some new fun activities at break time for the rest of the Term. But I need your help! What good is a disco without costumes? If you have any unwanted costumes/ fun outfits that you don't need any more I would be happy to take them off your hands to make these break times even more fun and engaging.

If you would like to donate costumes, please bring them to the office. I'll be sure to take pictures of the students pulling their best dance moves – watch this space.

Tuesdays first Break: Lunchtime Disco

There'll be music, dancing, lights and ... costumes?

Wednesdays first break: Chill Zone

I will be opening up the computer lab for students to have a quiet place to draw, colour in, play on the computer or just to check in.

A big thank you to Jordy Pule for helping me with the picture inspiration!

Jane

Year 1 News

Wow!!!! What a great start to the term!

The year one students have been busy learning about narratives. We are writing about the beginning, middle and end of a story. The pictures and writing have to match the story we have read, and we have to put detail about the story in the retell. We are also looking at the structure of our sentences. We have been reading books and using sentences starters such as...

This reminds me of, When I read this I felt....., If that was me, I would have..., the event I choose is... This is also to help with our assessment.

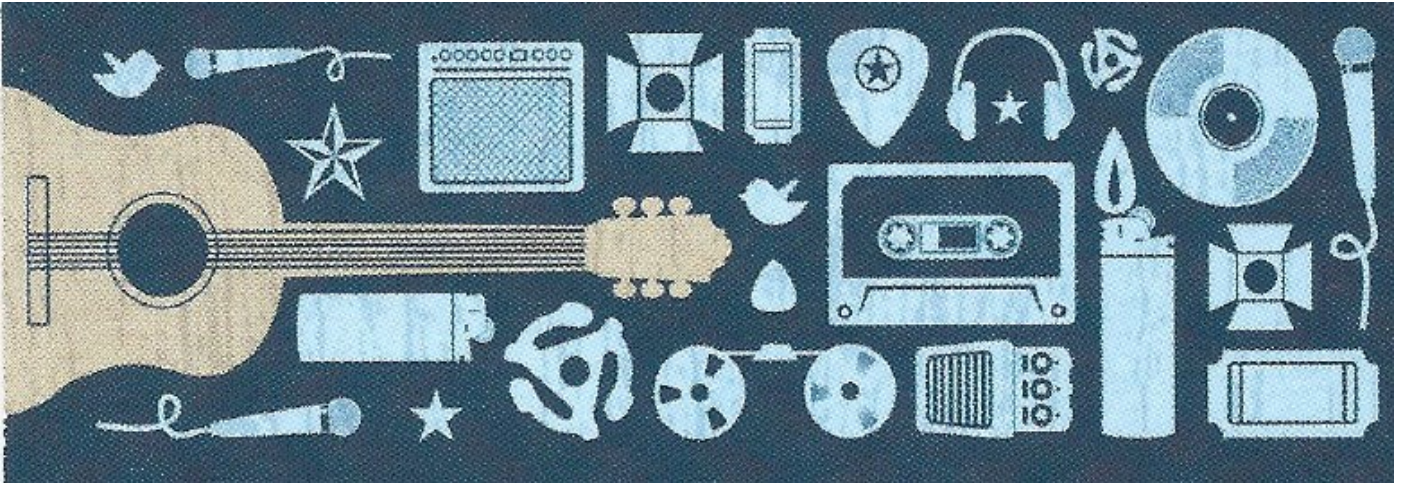

We have started investigating directions and measurement with the Code-a-pillar. First, we had to work out how far the Code-a-pillar travels with one straight bit. What happens when we want to turn left and right? How many bits will we attach to the Code-a-pillar?

Montville SS Behaviour Expectations

	CARE FOR YOURSELF	CARE FOR OTHERS	CARE FOR THE ENVIRONMENT
ALL SETTINGS	<ul style="list-style-type: none"> Be purposeful/set realistic goals Like who you are/speak well of yourself Do your best/challenge yourself/show grit/be resilient/achieve Be responsible for your own behaviour Use polite language and tone/solve problems with words (Montville 5) Be on time Be proud/Wear correct uniform 	<ul style="list-style-type: none"> Respect others' personal space Respect and value the differences in others Treat others' as you want to be treated/be kind Be in the right place at the right time Listen and learn from others Follow instructions Use manners 	<ul style="list-style-type: none"> Use equipment safely Respect yours and other's property Respect and care for our school environment Keep all environments clean Recycle
CLASSROOMS	<ul style="list-style-type: none"> Raise your hand to speak Keep hands, feet and objects to yourself Give all activities a go Be organised Strive for excellence Be persistent and stay on task Be an active listener 	<ul style="list-style-type: none"> Wait your turn/consider others Be a team player/participate in group activities Respect others' right to learn and the teacher's right to teach Help others when you can 	<ul style="list-style-type: none"> Sit on chairs safely Walk inside classrooms Take care of all classroom property or equipment Keep classrooms clean Recycle paper/use class books wisely
EATING AREAS	<ul style="list-style-type: none"> Sit in the correct area to eat Eat your own food Eat first, play second Wait to be dismissed Put lunch boxes away 	<ul style="list-style-type: none"> Allow others the time to eat Make sure everyone feels that they belong 	<ul style="list-style-type: none"> Use good hygiene Put rubbish in the bin Recycle when you can Sit on seats safely 
PLAY AREAS	<ul style="list-style-type: none"> Play safely/play in the correct area Play school approved games Wear shoes and socks at all times Walk on concrete areas Be sun-safe; wear a broad-brimmed hat 	<ul style="list-style-type: none"> Play with others responsibly Play with others fairly Include all that want to play Speak nicely to others Use kind words/manners Chasing games to be played on the oval. 	<ul style="list-style-type: none"> Care for the environment Use balls and equipment safely in appropriate areas Return equipment if needed

PARENT TEACHER INTERVIEWS WEEK 9

Montville State School Playgroup is held in Frammo Hall every Friday of the school term from 9am-11am. Our playgroup is relaxed and friendly and we welcome new families to join in the fun and activities every Friday.

Over the past two weeks we have been enjoying many engaging activities to develop the children's fine and gross motor development. It has been wonderful seeing the children socialising with each other while playing with the playdough and washing the cars and bikes.

Come and join in the fun at
the Montville State School
Playgroup

National Simultaneous Storytime From Space! #NSS2021 #1MillionKidsReading

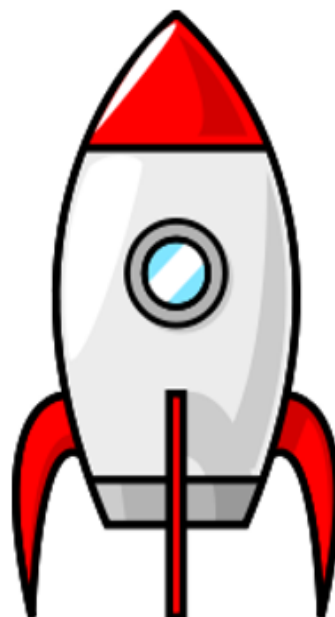

National Simultaneous Storytime (NSS) is an annual event that for 21 years has promoted literacy with the aim of engaging children of all ages to enjoy books by creating a sense of excitement around reading. Once a year for NSS, we all stop and read simultaneously at 11 am in Australia and 1 pm in New Zealand. It is the book event of the year that stops two nations!

For the first time this year, not only will the official story for NSS be read by over 1 MILLION kids across Australia and New Zealand but it will also be read by astronauts from the International Space Station.

The [Australian Library and Information Association \(ALIA\)](#), along with Scholastic, [Library and Information Association of New Zealand Aotearoa \(LIANZA\)](#), the [Australian Space Agency](#) and the [Office of the Chief Scientist](#) invite your school to join us for an out-of-this-world event by [registering online](#), do it now – it's free!

This is the book we will
all be reading
simultaneously on
19 May 2021

Partnerships With Parents

At Montville State School:

- parents are encouraged to take a genuine and close interest in the work of the school, are acknowledged as the first teachers of their children, and engage as partners in their children's learning and wellbeing.
- communication with parents provides information about where students are up to in their learning, what progress they have made over time and what they might do to support their children's further learning.
- the principal and teachers regularly connect with the parent/s of every child in the school.
- parents have access to resources to assist their child with their learning.
- opportunities are provided for parents to enhance their knowledge of how to assist their child's learning.
