### From the Principal

Welcome to another fortnight at Montville State School where our students Care For Themselves, Others and the Environment. Today our school is undergoing a 2 day review which will inform our strategic direction in the years 2022-2025. I would like to extend a warm welcome to the reviewers

Christine Dolley, Ursula Carty and Julie Warwick who will be undertaking this important task. Please feel free to chat with them before/after school if you see them.

Swimming commenced this week and I am very pleased to be in a position to cover the costs of the 2022 program through a Sporting Schools Grant. Thank you very much to all parents for ensuring their child has the required equipment including thongs/slides so we can get on /off the bus quickly and easily. We will be swimming on Monday and Wednesday next week.

Our 2022 stationary lists have been developed by the class teachers and can be found on our school website. <https://montvilless.eq.edu.au/support-and-resources/forms-and-documents/documents> Please remember that the Montville Newsagent is available to supply these items at a competitive price. Please contact them by December 15 to order a stationary pack for your child.

Throughout 2021, the Montville State School P&C have done an outstanding job supporting the school. The final P&C meeting for the year is on next Wednesday 17 November at 3pm. It would be great to have as many people there as possible. If you are available, we would love to see you there.

Our end of year is shaping up to be extremely busy with Prep Transition day, 2022 leaders' speeches, Awards afternoon and concert, graduation, graduation dinner, volunteers' lunch, whole school movie day and Year 6 Big Day Out all coming up. Please see the calendar in this newsletter for dates and times.

Thank you again for all your support

Regards

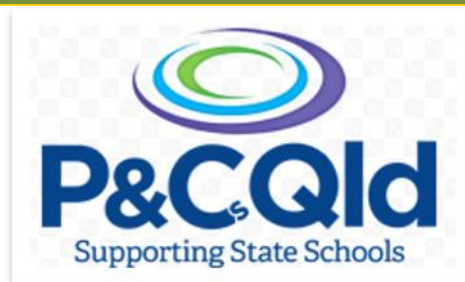

*Adam*

This is the last term for my wonderful students to be in year one. What a great year we have had!

We have been busy thinking up wonderful disgusting recipes to write as part of our procedures. The coffee shop is helping us with the ingredients and money. Feel free to pop in and have a coffee/tea and other drinks. We also offer take-away. Please call 54521 333.

## Year 1 News

For HASS, the year 1 and 2 students have been caring for a special place which is the school. We designed a 3D birds eye map of the school.

## Sport and Swimming News

### Congratulations Team Montville

For the past 4 weeks some of our netball superstars have participated in the Nambour Netball School Competition on Tuesday afternoons. All students enjoyed developing new Netball skills and meeting new friends. We welcomed a NSC student to join our teams and she loved playing with us.

How lucky are we, swimming has started and we are learning new skills!
