

MONTVILLE VIEWS

TOGETHER WE LEARN

Edition 9 2022 Term 2 Week 9

Main Street, Montville Qld 4560 Phone: 5452 1333 admin@montvilless.eq.edu.au

From the Principal

Welcome to another (VERY BUSY) fortnight at Montville State School. I am very excited to see events returning and having all members of the community able to come and support the students. This week our Year 3-6 students have been practicing soccer at lunchtimes in preparation for the Small Schools Soccer Carnival that is happening tomorrow at Kenilworth State School. Next week we have the athletics day on Monday and Under 8s Morning followed by an afternoon concert on Friday. Report cards celebrating all of our students' achievement will be emailed home this Thursday. Please remember if you would like a hard copy of your child's report to please let Melissa know in the office.

Class Parent Representatives & Parent Forum

This Wednesday I am holding a forum to help unpack the latest survey results. I would like to invite parents to come along at 3pm on Wednesday 22 June to investigate opportunities around engaging families with the school.

I am also chasing a parent representative for each class. The parent representatives invited to a meeting with me each term to discuss any opportunities for the students or concerns that they or parents in their class may have with THE SCHOOL (not the individual class).

If you are interested please let me know by emailing me at amont14@eq.edu.au.

Staffing

I would like to welcome back Miss Sheree who has been away this term completing her final practical placement as a teacher. Miss Sheree has worked at Montville as a teacher aide for over 11 years and as of next term will be a qualified teacher. On behalf of the school community I would like to congratulate Sheree on her achievement. It has taken a huge amount of energy and commitment and we are all extremely proud of her.

This year, Mrs Kellie McFadzen has been doing a fantastic job teaching every Thursday and Friday in the 2/3 class. For the remainder of the year Mrs Poingdestre will teach the class every day. I would like to thank Mrs McFadzen for all of her hard work this semester.

Athletics Day & Colour run

Have you got your white shirt? Next Monday, March 20 we will be holding our athletics carnival and colour run. This is a fun day with the main focus being on participation and having fun. It will be used as a selection process for 10 -12 yr. sprints only (all other events selection has been done during HPE lessons) with the students selected to represent Montville at the Small Schools athletics carnival to be held in Week 1 of next term.

The day will culminate in a colour run where the students will run around the oval and will have staff and volunteers showering them in non-toxic brightly coloured powdered dye (that can easily wash off). Sunglasses and a hat will be provided however we ask that the students bring a white shirt/outfit to wear during the colour run. The students are to come to school wearing their house colours and will change into their white clothes at 2nd break. **We are chasing some parent volunteers to assist with throwing the coloured powder as well as volunteers that would like to get involved and run the course (all are welcome).** Please see timetable on the following page and tuckshop order form on the last page.

Students are to come to school at the usual time with regular classes and lunch break up until 11:30

The students will then assemble in their house colours on the oval. We would love to have parents come along and watch. There is tuckshop and a canteen on the day (cash only).

Adam

Our Vision "At Montville State School, we value creativity, diversity and sustainability. We aim to ensure every student is included, engaged and successful. We provide learning opportunities that are fun, challenging and supportive for all students. We seek ways to

Partnerships With Parents

- ☒ parents are encouraged to take a genuine and close interest in the work of the school, are acknowledged as the first teachers of their children, and engage as partners in their children's learning and wellbeing.
- ☒ communication with parents provides information about where students are up to in their learning, what progress they have made over time and what they might do to support their children's further learning.
- ☒ the principal and teachers regularly connect with the parent/s of every child in the school.
- ☒ parents have access to resources to assist their child with their learning.
- ☒ opportunities are provided for parents to enhance their knowledge of how to assist their child's learning.

great day!*

Japanese Phrase of the week

どういたしまして
DOU ITASHIMASHITE

Last week we learned thank you. This week we learn the response phrase, you're welcome. Lots of Japanese people like to say an interesting way of remembering this phrase- it sounds like, "Don't touch my moustache!"

GARAGE BAND

Music Clip and Recording - Holiday Program

Nick Aggs is offering a holiday program over the end of term holiday period. The number of sessions will depend on interest but it is anticipated each session will run for two hours per day over the course of a week. The Program's aim is for students to record or sequence (on GarageBand) a song using industry standard software and edit a video to it - resulting in a music clip that can be shared with family and friends.

Students will learn basic music and visual recording and editing techniques, storyboarding techniques and project management skills. For the Program to be appropriate, your child will be learning an instrument or have a keen interest in GarageBand.

The venue will be the Montville State School Music Room. If you are interested, please shoot Nick an email at nickaggs@gmail.com. Cost will be calculated on number of students, but it is anticipated to around \$200 (plus GST)

Please also get in touch with Nick if you are interested in Music Lessons for **Term 3** and are not currently taking lessons with him.

Montville Village Markets

MSS P&C received a very warm welcome back to the Montville Village Market last weekend.

We will be there again next month (9th July) with our produce stall and BBQ breakfast

We would like to invite all families to get involved - please contact the P&C if you would like to volunteer or donate produce.

JUNE/JULY HOLIDAY WORKSHOPS!

**29
JUNE**

TWEEN TALK:

Navigating Friendships in a Girls' World

🕒 9am - 12pm 📍 Goodlife Community Centre, Buderim

This workshop has been developed to help your daughter understand what healthy friendships look and feel like. We will discuss problems that pop up in friendship groups and how to resolve these issues. We will also discuss the qualities important in friendship and how to be a great friend to others.

Girls aged 8-12 yrs.

**4
JULY**

TWEEN TALK:

EveryBODY is Beautiful!

🕒 9am - 12pm 📍 Baringa Community Centre, Caloundra

Our **BRAND NEW** Tween Talk workshop for girls aged 8-12 yrs will help your daughter learn that she is much more than just a body! She will learn to celebrate diversity when it comes to appearance, understand that the way she looks is such a small part of who she is **AND** we will break down the myths regarding 'perfect' looking people in the media, **PLUS MORE!**

This workshop also includes a **FREE** parent session!!!
