

## Prep Student Resource Scheme 2025

Dear Parents / Carers,

Montville School offers a Student Resource Scheme (SRS) for 2025, allowing parents to pay an annual fee that covers essential educational resources. This initiative aims to provide a cost-effective alternative to purchasing textbooks and materials independently, saving parents both time and money through the school's bulk purchasing and hiring practices. The SRS is solely focused on providing necessary resources and does not generate funds for other purposes. The fee for the scheme was determined after considering the financial impact on parents and the school's ability to absorb some costs. The operation, resource inclusions, and participation fees were approved by the P&C Association on October 11, 2024.

Arts Council, camps, swimming, sporting events and excursions will be invoiced separately to the resource scheme.

**Department of Education have revised the Student Resource Scheme form to cover the duration of enrolment.**

***Please complete and return the green SRS form.***

You will receive an invoice for the Student Resource Scheme (SRS), which is due at the start of the 2025 school year, though early payment is accepted. If you have any questions, please contact the school office.

Parents or guardians who choose not to participate in the SRS are responsible for providing all necessary items covered by the Resource Fee. If you opt out for 2025, please inform the office to receive a detailed list of requirements for your child's year level.
